

Introducing

ROYAL SPA
Swim Spa™

We put the swim in swim spa!

"I had no idea the kids would love it so."

- Medford, OR

Enjoy backyard living at its finest with a pool and spa all in one. *Royal Spa Inc.*, has twenty years experience designing and selling the very best swimming machines in the world. Now our unrivaled water current can be found in a smooth, lustrous acrylic spa. With whirlpool jets, underwater lighting and push-button current control, our Swim Spa is the perfect synthesis of exercise, relaxation, and just plain fun!

Fits almost anywhere — suits almost

Built of sleek, long-lasting acrylic and hand-rolled fiberglass, the Royal Spa Swim Spa can be installed in a backyard or deck, or indoors on any grade-level surface such as a refinished garage. The Swim Spa includes custom wrap-around cabinetry, contoured hydrotherapy jetted seats, water heating and purification equipment, and the 5 hp Power Unit used to drive the patented swim current!

The best swim in the business - and

For two decades, Royal Spa Inc. has worked to perfect water-movement technology, creating a smooth, river-like current that is worlds improved from the turbulent froth of standard jetted swim spas. At the push of a button, the water speed can be changed from a gentle breaststroke to a 1:08 hundred-yard pace. No other swim spa comes close.

"A great workout!

I'm able to do all the exercises I would in a gym.

- Atlanta, GA

now the most fun as well!

The high-efficiency water heater (in conjunction with the insulated shell and cover) easily takes the Endless Pool Swim Spa from a swimmer's 82° to an indulgent 102°. Whatever the temperature you choose, your family is sure to use the Swim Spa for exercise, socializing and unwinding for years and years to come.
